# LGBTQIA+ Explained

---

*LGBTQIA+ is a community accepting of all sexual orientations: the Lesbians, Gays, Bisexuals, Transgenders, Queer, Intersex, Asexual and more...*

**Agender (dt. Agender/Gender-neutral)**

is when one does not identify with a specific gender.

**Ally (dt. Verbündete)**

is someone who supports and defends the LGBTQIA+ community, without being directly part of the community.

**Asexual (dt. Asexuell)**

is when one doesn't feel sexual / physical attraction to others.

**Bisexual (dt. Bisexuell)**

is when a person likes both men & women.

**Gay (dt. Schwul)**

is when a man is attracted to men.

**Intersex (dt. Intersexuell)**

is when one's reproductive system is neither "male" nor "female".

**Lesbian (dt. Lesben)**

is when a woman is attracted to women.

**Pansexual (dt. Pansexuell)**

is when one is attracted to people regardless of their sexual orientation and gender.

**Queer (dt. Queer)**

is an umbrella term referring to being part of the community & having no exclusive sexual orientation.

**Transgender (dt. Transgender)**

is when a person from a assigned sex at birth does not identify with it and associates with the sex they feel they are instead.
